Business & Land / Building Opportunity – Huge Expansion Potential

Business Asking \$395,000

Land/ Buildings Asking \$635,000

This business returns circa \$130,000 EBPIDTA (to 1 working owner) and has plenty of scope to expand.

A stunning centre in a beautiful BOP town has come to the market, licenced for circa 30 children, with full occupancy, there is a real opportunity to expand not only this centre but also to purchase an adjacent building owned by the vendor. This is a beautiful and loving community of which anyone would be proud to be a part of.
