- Has a 30+ year history and excellent brand recognition.

If you can build and manage teams this business offers significant untapped potential and opportunity for you to grow both the value of the business and add to the substantial income. Or, if you want a change and would like an excellent income for your efforts, then this is your chance to make that leap and hit the ground running with immediate cashflow from ongoing work.

The Chemwash management company is owned by all operators so you get all the benefits of successful franchise without paying the usual large chunk of your profits to a master franchisor. *Banks prefer, and will lend to, franchises with proven trading systems because their success rates are up to 6 times higher (90% vs 15%). Full vendor and Group support will be provided.

Asking Price: \$294,000 which includes vehicle, plant & equipment.

BUY NOW to capture the strong summer trading months and get your business career off to a flying, cash flow rich, start.

*Based on financial information supplied by the vendor.
