

Lucrative Import Biz, Work from Home

With 8 years successful and profitable trading, this relocatable office furniture import & retail business offers a keen new buyer an exciting opportunity to kick start 2018!!

This venture is currently operated by a husband & wife team who are suppliers of new, innovative, quality products – imported from a very reliable and quality manufacturer. Direct sales to the consumer through phone & internet based sales enables product to be sold at extremely competitive prices – with the retention of excellent margins on every sale.

Supplier to some of NZ's more prominent companies, the business is experiencing tremendous growth in buoyant market and as kiwis focus more on workplace wellbeing and ergonomics, demand for said products should only increase. End users can view the range at the high tech unmanned showroom 7 days a week.

We are advised that this business could be seriously accelerated with a new owner willing to take the business to new levels with marketing and growth focus. Outright purchase or shareholding would be considered.
