history;

- Has a stable history and excellent brand recognition.

If you're after a change and would like an excellent income for your efforts, then this is your chance to make that leap and hit the ground running with immediate cashflow from ongoing work.

The Chemwash management company is owned by all operators so you get all the benefits of a successful franchise without paying the usual large chunk of your profits to a master franchisor. *Banks prefer, and will lend to, franchises with proven trading systems because their success rates are up to 6 times higher (90% vs 15%). Full vendor and Group support will be provided.

Asking Price: \$222,000 which includes vehicle, plant & equipment.

*Based on financial information supplied by the vendor.

BUY NOW to capture the strong summer trading months and get your business career off to a flying, cash flow rich, start. Visit www.barkerbusiness.co.nz/BBS2254, register your details and submit the online confidentiality agreement.
